## IV & DV Practice

**Independent Variable:** The variable that is changed on purpose

Dependent Variable: The variable that is changed by the independent variable- the

thing that is measured

Identify the Independent Variable and Dependent Variable in the following hypotheses

| Hypothesis                     | Independent Variable | Dependent Variable |
|--------------------------------|----------------------|--------------------|
| If fertilizer is added to the  |                      |                    |
| garden, then plants will       |                      |                    |
| grow larger.                   |                      |                    |
| If patients take the new flu   |                      | ,                  |
| drug Hyclovex, then their      |                      |                    |
| flu symptoms will be           |                      |                    |
| relieved.                      |                      |                    |
| If I eat fewer calories then I |                      |                    |
| will lose weight.              |                      |                    |
| If we reduce the number of     |                      |                    |
| wolves in Yellowstone          |                      |                    |
| National Park, then the        |                      |                    |
| deer population will grow.     |                      |                    |
| If I rub watermelon juice on   |                      |                    |
| my head, more hair will        |                      |                    |
| grow.                          |                      |                    |
| If I add more sugar to the     |                      |                    |
| recipe, then the cake will     |                      |                    |
| taste sweeter.                 |                      |                    |
| If I turn in all my            |                      |                    |
| homework, then my grades       | *                    |                    |
| will improve.                  |                      |                    |
| Adding Tabasco sauce to        |                      | <u>.</u>           |
| my gas tank will make my       | م                    |                    |
| car go faster.                 | -                    |                    |
| Taking a shower daily will     |                      |                    |
| improve the way I smell.       |                      |                    |
| Studying for the test will     |                      |                    |
| help me get a better grade.    |                      |                    |
| The contract Stanton           |                      |                    |
| Larger birds will fly faster   |                      |                    |
| than smaller birds.            |                      |                    |
| Tall people make more          |                      |                    |
| money than shorter people.     |                      |                    |
|                                |                      | - '                |
